

Dr. Bill Ferguson

Opens Family Practice

INave 3 May 1984

Dr. Bill Ferguson has begun a full-time family practice at the Mountainland Medical Clinic. He is joining his wife, Dr. Kitty Ferguson, who has been the pediatrician in Heber City for the last year.

A family practitioner, Dr. Bill Ferguson recently completed a tour of duty as a major in the U.S. Air Force stationed at Hill Air Force Base, Utah.

Bill was born at Clark Air Force Base in the Philippines and grew up in the Air Force. He graduated from Punahou High School in Honolulu, Hawaii. He received a B.S. in Biology at Brown University in Rhode Island, then spent one year studying at Southern Theological Seminary in Kentucky. He completed medical school and a Family Practice residency at the University of Texas Medical Branch in Galveston. For the last four years he worked as a staff physician at the Hill AFB Hospital and is now happy to be permanently settled in the Heber Valley.

During his tour at Hill Air Force Base, Dr. Ferguson worked in the Family Practice and Emergency Departments, was in charge of the Allergy and Immunizations Clinic, ran a gastrointestinal endoscopy clinic, taught Advanced Cardiac Life Support, and supervised the medical dispensary at the Utah Test and Training Range in Western Utah.

In addition to his responsibilities at the base, Dr. Ferguson was employed part-time as an emergency room physician at St. Mark's Hospital in Salt Lake City.

Drs. Bill and Kitty Ferguson have three children. Their family enjoys working on their old house, hiking, camping, skiing, and riding horses. They have enjoyed the climate, the setting, and especially the people of the Heber area.

Dr. Bill Ferguson

schools throughout Utah competed in numerous business events. Winners from Wasatch High School included: Stephanie Luke, 4th place in Job Interview; Amy Pinter, 6th place in Office Procedures and 9th place in Business English; Karina Wren, 5th place in Shorthand and 9th place in Economics; and Jennifer McGuire, 10th place in Business English.
